V. ICDS 2007

Dr. Michael Li reported on the progress of the organization of the symposium. The website was active and the two and a half-day scientific programme was finalized. Hard copy of the final programme would be available one week later for distribution.

VI. Overseas Clinical Meeting

Dr. CC Chung reported that the society will join with Hong Kong Society of Minimal Access Surgery to organize the overseas clinical meeting. The preliminary schedule will be March or April 2007 and our destination will be Macau.

VII. ASM 2007

Dr. Janet Lee will be the chairperson of the organizing committee with Dr. CC Chung and Dr. CM Leung as members. It will be held in the afternoon on 27 Jan 2007 right after ICDS 2007 at the same venue. We have invited Professor Justin Wu, Professor Simon Ng, and Professor Brigette Ma as speakers in the symposium.

VIII. Any Other Business

- (1) Dr. CC Chung reported that Professor Konishi from Japan has invited our society to host a symposium with the Asian Society for Coloproctology. The council would like to discuss the exact terms of commitment with Professor Konishi in January before reaching any decisions.
- (2) Dr. William Meng reported on the invitation by The Federation of Medical Societies of Hong Kong to our society to jointly organise certificate course on coloproctology. These courses are for Health Professional and General Public with a target audience of 80. The council agreed to organize such a course and would like Dr. Meng to follow up.
- (3) Dr. Michael Li reported on the offer from Prudence Foundation for the production of an educational DVD for the general public on colorectal cancer. The council would like Dr. Li to continue follow up this issue.

There being no other business, the meeting was adjourned at 7:45 pm.

Dr. William Meng
Honorary Secretary
